## WHAT KINDS OF FINANCIAL PRODUCTS AND SERVICES CAN ENTAIN GROUP PROVIDE?

Entain Group is authorised to provide general financial product advice to retail clients in relation to deposit and payment products limited to non-cash payment products.

The Card is a facility for making non-cash payments (a prepaid Mastercard product) issued by EML Payment Solutions Limited ABN 30 131 436 532 AFSL 404131("EML").

This means Entain Group can:

- Distribute the Card;
- Provide general financial advice in relation to the Card; and
- Publish or issue certain promotional material in relation to the Card.

Entain Group is not authorised to provide personal advice about financial products. Personal advice is when your goals, objectives, needs and financial circumstances have been or would be expected to be considered in the course of providing advice.

This means that Entain Group will not take your goals, objectives, needs and financial circumstances into account whenever it gives advice (in publishing or issuing promotional material) about the Card. The kind of advice that Entain Group may give is called general advice.

It is therefore your responsibility to decide for yourself whether any general advice given by Entain Group in its promotional material is suitable for you, or whether you should obtain personal advice from a financial adviser who holds an Australian Financial Services Licence or who is an Authorised Representative of an Australian Financial Services Licensee.

Entain Group cannot advise you on, or influence you in favour of, a financial product that is not a product they are authorised to provide advice on.

We will also provide you with, or explain how to access, a Product Disclosure Statement ('PDS') for Card. The PDS contains information about the costs, benefits, risks and other features of the recommended financial product. You should read this information to enable you to make an informed decision prior to acquiring the recommended financial product.
